William Green pictured with a group in North Carolina. William also spoke to many different groups in Massachusetts and Cleveland...over 200 kids made decisions for Christ!

So when I picked up my son from hearing the FCA and NFL speaker William Green on Wednesday and asked how it was, he only said "dad- it was amazing!" We drove for a while longer, and he repeated "dad...this evening was amazing". As we drove home, he shared about how William Green shared his testimony, talked about the need to make a decision for Christ, and then he said "dad— one thing more- he asked us to put our heads down prayed over us—he asked us if we wanted to make a decision for Jesus, if we accepted him as our savior- if we wanted to give our lives to him, we should lift up our hands. No one could see but Mr. Green....and I raised my hand."
